8/10 [redacted] Approved For Release 2005/11/21 : CIA-RDP70-00211R000800310048-6  
[redacted] 43-34  
Fred - [redacted]

1. Not being familiar with [redacted] I'm not sure what types of records this covers, other than those we have always considered to be the official support records of DD/S components.

2. Para 3d is interesting. For us to carry out our responsibility we would have to review and approve all DD/S records control [redacted].
